New to the market, we are pleased to be able to offer this very nice apartment located in upper Quesada close to all amenities and a short walk to the town centre of this bustling town. Slightly unusual in this case is that although it is a top floor apartment you gain entry from ground level rather than climbing stairs. On entering the apartment you are offered a good sized lounge leading to an American kitchen, two double bedrooms and a bathroom. To the outside there is a nice terrace offering very good views and a spacious solarium giving lots of space to utilize all year round. The property is being sold fully furnished, benefitting from air conditioning to the main living area
